

LINCOLN SEYRAM FOLI-WASHINGTON

International Relations Graduate

lincolnfoli@gmail.com | +233 24 585 5125 | Accra

Personal Statement

I am a determined individual with a background in International Relations and Diplomacy, as well as Computer Science. I possess working knowledge of computer programming, Microsoft Office Suite, administration, and management. I aspire to develop my International Relations, ICT, Management, and Administrative skills to aid in the achievement and sustenance of required goals and objectives.

Work Experience

ICT Assistant - Freelance

College of Humanities Secretariat, University of Ghana, Legon

Mar 2024 – Oct 2024

- Facilitates a workshop on the use of the Microsoft Mail merge system to enhance the creation and dispatch of mail within the College.
- Provided technical assistance in the facilitation of a workshop for the creation of a Management Information System to promote digitalization of the Secretariat's mail receipt, processing and dispatch system.
- Updated the Annual Provost Awards Excel form for use in the 2024 Provost Awards data collation, improving workflow by 50%.
- Updated and recycled the Annual Provost Excel form to be used for the University-wide Awards data aggregation, improving workflow by an additional 10%.

ICT Assistant - National Service Personnel

College of Humanities Secretariat, University of Ghana, Legon

Nov 2022 – Feb 2024

- Tasked with performing Human Resource and Administrative duties, which included vetting applications for the appointment of Lecturers, Senior Lecturers, Professors, Visiting Scholars, etc.
- Tasked with performing data analysis, data entry, and providing technical support towards the setup, repair and maintenance of electronic devices.
- Developed a Visual Basic Form in MS Excel to aggregate data required for the Provost Awards Ceremony.
- Developed a Search Form in MS Excel to enhance information retrieval within a journal database based on various criteria.
- Developed a Google Form to increase workflow during the distribution of students' ID cards at the College Academic Office.
- Develop websites to further enhance workflow in the distribution of students' ID cards, which was later adopted and implemented by the University across all schools.
- Supervised the organization of the College exhibition and recorded attendance at the event.

3D Artist - Freelance

Self employed

Oct 2022 – Dec 2023

- Developed and animated 3d objects to the specifications of contractors, for academic and commercial purposes.

Script Checker

West African Examinations Council

2019

- Tasked with inspecting the scripts of students who had written the West African Senior School Certificate Examination, looking for errors in marking, and tallying scores allocated.
